Manufacturer(s): Cameron Balloons Limited, Thunder Balloons Ltd, Colt Balloons Ltd, Thunder and Colt Ltd and Sky Balloons Ltd.

Applicability: All solid floor baskets manufactured by Cameron Balloons Limited, Thunder Balloons Ltd, Colt Balloons Ltd, Thunder and Colt Ltd and Sky Balloons Ltd.

Reason: The manufacturer has identified several occurrences of damaged basket suspension wires on the underside of solid floor baskets. Compliance/Action:

This may be accomplished by inserting a copy of this AD into the FM.

ADDITIONAL FLIGHT MANUAL INFORMATION (Section 4 – Normal Procedures):

b) Within 31 days of the effective date of this AD, inspect the basket suspension wires and rawhide protectors in accordance with Cameron Balloons Service Bulletin No 12 revision 0 or later EASA approved revision. If any damage in excess of that permitted by Cameron Balloons Maintenance Manual Issue 9 Section 6.16.4 or later EASA approved revision must be repaired in accordance manufacturers approved data before further flight. The action required by Paragraph a) of this AD may be carried out by an owner/operator holding at least a private pilots licence.
